

AFRICA MISSIONS News

From Ron & Rina Kinnear

July 2013

Equipped for Service!

Ron Kinnear proudly congratulates the Kilgali Bible College graduates

More beautiful ministers have been trained to be ministers of the Gospel! 17 of our Beam Africa Bible College students who completed their studies were part of a procession of approximately 600 other students from across the country at the graduation of **Teamwork Impact** in **South Africa** last December. It was a day of rejoicing.

And we rejoiced with the 17 students who graduated at our **Kilgali Bible College** in **Kilgali, Rwanda** at the end of March. God is so good! What a joy to see these faithful men and women filled with the Word and the Spirit of God prepared for the ministry! Each one is a miracle, each one is your missionary!

Graduate testifying of the Lord's providence to enable her to complete her studies

We Bounced Back!

Due to financial constraints we had to cancel a training program in a refugee camp in **Rwanda** last year. We were able to go back in April this year with greater ferocity and instead of training 30 pastors as originally planned we **trained 56 pastors!** Praise the Lord.

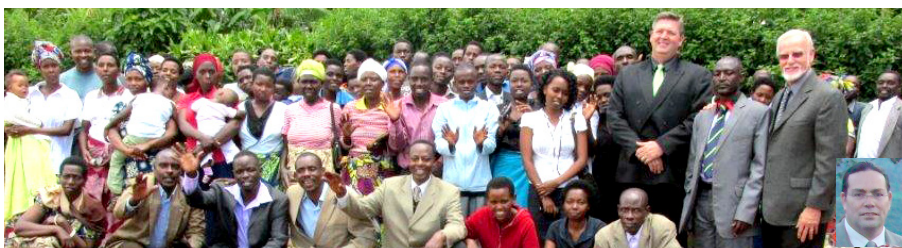

Our expectations for the next 30 days is that at least 3,000 souls are going to be birthed into the Kingdom of God and hundreds of personal evangelists raised up!

There are 14,000 displaced and deeply traumatized Congolese in this camp. They have lost everything due to the war situation in their country. Our next visit will include a celebration of the souls won, special programs for women and children and trauma counseling. We now have a strong presence in that particular camp and believe God for a big breakthrough to take that camp for the Lord!

To the uttermost parts of the earth

In **Tanzania** we went to a remote area close to the border of Burundi and Victoria Lake. Our mission was to make initial contact with 10 local churches. Some of their pastors were trained in our Bible College in Rwanda. They extended an invitation to go into this area for the past three years, and we finally made it in April, and found 10 healthy churches in a predominantly Muslim area. They were in fellowship with other churches and in good standing with the local community government leaders.

The door is open for us to initiate uplifting projects and plant more churches. 40 pastors and 46 person-

The 10 healthy churches in Tanzania were thrilled to have the first “white men” come!

al evangelists were trained in Evangelism Explosion and we believe that the Body of Christ is going to impact that area!

What was amazing is the fact that **Herman Hinsbeeck, Paul Williemse** and myself were the first “white people” ever to visit that area! What impressed the believers and local villagers most was not our preaching but our presence.

The Glory of God at Rwanda Conference!

We had our first “National” conference over the Easter week-end with the 14 churches that have been planted in Rwanda under the two tents that were filled to capacity. Rains interrupted several of the services, but this did not deter the believer in any way. When it was not possible to preach they worshipped and danced and the Glory of the Lord came down!

Paul Williemse, a pastor in South Africa was the conference speaker. He also strongly ministered in song. The local believers opened their hearts to him and look forward to several visits from him in the future.

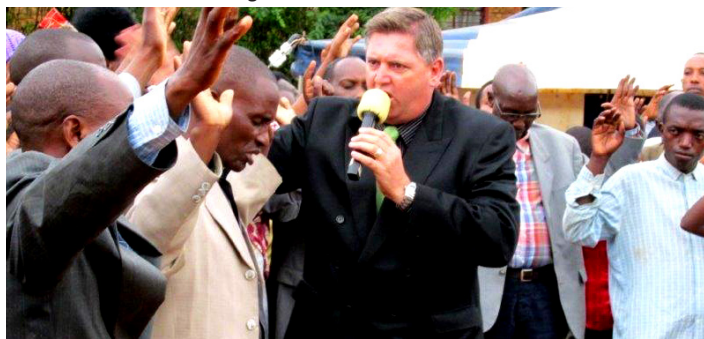

Worshipping Jesus the African way!

Ron on the front row of ministry to Rwanda!

Thank You!

Thank you for your prayers and financial support without which no progress could be made. You are special and greatly appreciated.

Your friends in the Mission Fields of Africa,

RON and RINA KINNAR
